

Recipient TGLN#: [REDACTED]

Last Name: [REDACTED]

Given Names: [REDACTED]

National Recipient ID: [REDACTED]

Blood Type: [REDACTED]

DOB: [REDACTED]

Sex: [REDACTED]

Race: [REDACTED]

Insurance No: [REDACTED]

Hospital(s): [REDACTED] HSP Kidney Eligible: [REDACTED]

Organ(s): [REDACTED]

## Recipient HLA Typing

HLA Typing Confirmed ☒

HLA Lab: TORONTO

Last Update: Data saved on 2018/11/29 08:04

| Locus | Molecular                | Serologic        | Technique      | Comments                                             | Clinical Judgement                          |
|-------|--------------------------|------------------|----------------|------------------------------------------------------|---------------------------------------------|
| A     | 24:XX                    | A24              | OTHER          | A*24:02/Migrated from:<br>Serologic: , Molecular: 24 | <input type="checkbox"/> Most likely allele |
| A     | --                       | A--              | OTHER          | Migrated from: Serologic: ,<br>Molecular: --         | <input type="checkbox"/> Most likely allele |
